This case has been designed to offer a high level of protection, accessibility and flexibility .
The Ballistic Nylon material offers protection from drops and knocks so that the MC55/65 stays in top condition.
The MC55/65 is easily accessible with carefully designed slots for accessing the MC55/65's features such as; the camera, light sensor, volume buttons etc.

Case Benefits:

- Ballistic Nylon material case, for a nice feel and appearance.
- D-Rings, for attachments such as shoulder straps (Sold separately)
- Stylus loops, to hold stylus securely when in transit.
- Bottom buttoned flap so the MC55/65 can be removed from the case.
- PVC Keyboard cover
